“An Excellent with Distinction School District”

-Each month you will be receiving a copy of “Middle Years, Working Together for School Success” from BJHS. Middle grade children go through many changes at this age and studies show the support of their parents is vital to their success. Many parents want to provide this support, but are not sure what to do. “Middle Years” will provide information and tips to helping your child through the challenges that they face during this time in their lives. Your second edition will come home with interims this week. Hopefully you will find this publication practical and useful.
