### **TRANSPORTION FOR MEDICAID HEALTH CARE APPOINTMENTS**

There are two transportation programs available to Medicaid families in Wayne and Medina Counties: one is administered by the county JFS and the other works directly with the Medicaid healthcare plan provider.

### **County JFS Transportation Coordinators**

The county JFS Transportation Coordinators suggest contacting them first for their program as it will not count against what your Medicaid plan provides. Call Ann Kemp at 330-722-9300/800-783-5070 in Medina County or April George at 330-287-5841 in Wayne County at least 5 days before Health Care Services-related transportation is needed.

### **Medicaid Healthcare Plan Provided Transportation**

Medicaid healthcare plan participants may be eligible for transportation for health care appointments, paid for by their Medicaid Plan, for:

- Dental Visits • Prenatal Care Appointments
- Primary Care Office Visits • Specialist Appointments
- Childhood Immunizations • WIC Appointments
