## **PARENT REQUEST FOR STUDENT VACATION**

Parents are asked to consider the fact that regular attendance is the single most important factor in determining a student's academic success. Although this time away from school may be considered excused, please know that these days are accounted towards the students absent hours in accordance with House Bill 410.

The Buckeye Local School District strongly discourages vacations during the school year, recognizing that classroom activities, audio-visual presentations, lectures, and interaction among students and between students and teachers are the most valuable part of instruction. Concepts learned only through "homework" taken on vacations may not be as thoroughly understood or retained.

### **By signing, you are agreeing to abide by these terms:**

- All work missed during vacation **MUST** be completed on the day of the student's return to school or teacher recommendation.
- It becomes the parent and student responsibility to obtain, complete and turn in all homework assignments
- The days missed for vacation count toward the total allowed in accordance with the student handbook.
- This form must be completed and returned to the attendance office at least 2 days prior to the scheduled vacation.
